

NEXT MEETING 1:00 May 18, 2014

THIS MONTH'S PROGRAM Annual Awards Luncheon and Election of Officers

We will be holding our annual election of officers and awards luncheon on May 18th, so bring your favorite dish. Beverages and paper products will be provided by the society. At this final meeting of the year, the annual awards for exhibitors on our show table will be given and we will raffle a set of orchid earrings and pin.

There will be a show table. Points awarded this month will count towards next year's awards.

If you have checked out any library books, we ask that you please return them at this meeting.

Come and have fun and enjoy a nice lunch!

PRESIDENT'S MESSAGE

Greetings Everyone

Can you believe that the 2013-14 Season is just about over.

We have enjoyed some terrific speakers and some beautiful Show tables. We had a successful Orchid Auction in November and not only participated in the SEPOS International Orchid Show at the Academy of Natural Sciences in April, we took first place in the 25 sq. ft. division and 18 of our plants were awarded. John Rogan even received an additional award for the fragrance of one of his orchids.

I want to take this opportunity to thank you to everyone who has contributed to the success of the South Jersey Orchid Society.

Sunday, 5-19, will be our last meeting of the season. It will be the covered dish luncheon. We will have our Show Table and the points for the May Show Table will count for the 2014-2015 season. The Show Table Awards for 2013-2014 will be given out. We will also have the election of officers for next year.

That is it for Today (I am probably forgetting something) Hope to see you Sunday.

Dianne

SHOW TABLE REMINDER:

Show table judging begins at 1:00 PM. To have your plants recognized for judging they must be on the Show Table, with the entry cards by 1 PM. Skip Vandegraft, our photographer, suggests that attention to placement of supports, clips, etc. has multiple benefits, including enhancing the appearance of your plants, increasing the chances of being awarded, and also reduces the need for retouching by the photographer.

BOARD OF TRUSTEES MEETING

The date for the next Board of Trustees meeting has not been set. It will likely occur during August, prior to the next regular meeting in September. If you are interested in attending, contact any of the board members or officers to determine the date, time and location.

The nominating committee will present its slate of nominations for treasure, secretary and trustee, and the election will take place at the May meeting.
